

## Small Business Tools Emergency Preparedness Guide

Emergency	Products	Facts
<b>Earthquakes</b>	Reciprocating Saws Hand Carry Lights Gas Leak Detector Tie-Downs Hard Hats Gloves	<p>It is estimated that there are 500,000 detectable earthquakes in the world each year. 100,000 of those can be felt, and 100 of them cause damage.*</p> <p>Since earthquakes are extremely difficult to predict, preparation is critical to minimizing damage and injuries. Grainger has the products that can protect and help you recover quickly.</p> <p><small>*Source: <a href="http://www.usgs.gov">www.usgs.gov</a></small></p>
<b>Floods</b>	Portable Generators Spill Containment Kits Portable Blowers Pullover Boots Sump Pumps Wet/Dry Vac	<p>Flooding is the nation's #1 natural disaster and can happen almost anywhere. Two inches of flood water can cost your facility over \$3700 in floor repairs and costly cleanup materials.*</p> <p>Grainger offers products you need to help you quickly recover in the event of a flood.</p> <p><small>*Source: <a href="http://www.floodsmart.gov">www.floodsmart.gov</a></small></p>
<b>Hurricanes</b>	Rain Suits/Boots Portable Generators Insect Repellants Tie-Down Kits Water Pump Wet/Dry Vac Fuel Tanks	<p>80–90% of the people living in hurricane-prone areas have never experienced the core of a major hurricane. As a result, many people underestimate the damage potential of a major hurricane, leading to complacency and delayed reaction.*</p> <p>Don't wait until a hurricane hits. Grainger is ready to help you prepare.</p> <p><small>*Source: <a href="http://www.noaa.gov">www.noaa.gov</a></small></p>
<b>Tornadoes</b>	First Aid Kits Gas Cans 2 Way Radios Flashlights Batteries Rope	<p>Tornados have occurred in every state, but are most frequent east of the Rocky Mountains during spring and summer months. Still, tornados can happen anywhere and at any time of year.*</p> <p>Grainger can help you prepare for the tornado season. Minimize employee injuries and maintain facility operations in the event of a tornado with these essential products.</p> <p><small>*Source: <a href="http://www.noaa.gov">www.noaa.gov</a></small></p>
<b>Wildfires</b>	Generators Disposable Respirators Air Filters Gloves Flashlights Hard Hats Hoses	<p>Wildfire is one of the most destructive natural forces known to mankind. While sometimes caused by lightning, nine out of ten wildfires are human-caused.* Be prepared for wildfires. Rely on Grainger for products that may be helpful if a wildfire threatens your area.</p> <p><small>*Source: <a href="http://www.smokeybear.com">www.smokeybear.com</a></small></p>
<b>Winter Storms</b>	Insulated Gloves Portable Heaters Snow Blowers Shovels Spreaders Ice Melt Matting	<p>Slips are the #2 cause of workplace injuries. Winter storms create some slippery situations, minimize your risk.*</p> <p>Make Grainger your first call for everything your business needs to stay operating during winter storms</p> <p><small>*Source: <a href="http://www.occupationalhazards.com">www.occupationalhazards.com</a></small></p>
